Disclaimer:

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other francial instruments. Nothing in this report constitutes investment objects. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment of periodic positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent updament by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an investment investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment discussed or views expressed may not be suitable for all investors. Certain transactions—including those involving futures, options, another derivative products as well as non-investment grade securities—involve substantial risk and are not suitable for all investors. No representation or warranty, expresses or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior approval. This document is being supplied to you solely for your information and may not be reproduced, redistributed
